Abstract	ix
Acknowledgments	xi
Acronyms and Abbreviations	xiii
Executive Summary	xv
1. The Afghan Economy	1
Recent Economic Performance	2
Structure of the Economy	6
Economic Prospects	11
2. Poverty in Afghanistan: A Preliminary Analysis	15
Historical Background and Social Indicators	16
Rural Poverty Profile	20
Determinants of Rural Poverty	23
3. Toward Sustained Growth and Poverty Reduction	27
Growth and Poverty Reduction Strategy	28
Implementation Priorities and Risks	36
4. Building an Effective, Accountable Afghan State	43
The State-Building Agenda	44
Work in Progress	52
Some Key Tasks Ahead	58
The Way Forward	63
5. Encouraging and Supporting Private Sector Development	69
The Afghan Private Sector	70
Constraints to Private Sector Development	76
Government Strategy and Implementation Priorities	81
6. Agricultural Development Priorities and Prospects	91
Overview and Policy Framework	92
Priority Areas for Reform	97
Prospects for Afghan Agriculture	108

7. Understanding and Responding to the Drug Economy	111
The Opium Economy in Afghanistan	112
Lessons from Experience in Fighting Drugs	120
Government's National Drug Control Strategy	124
Options and Trade-Offs in Strategy Implementation	126
8. Delivering Basic Social Services with Gender Equity	131
Background	132
Conceptual Framework.....	134
Improving Basic Social Service Delivery in Key Sectors.....	137
9. Assisting the Poor and Vulnerable	147
Poverty, Vulnerability, and Coping Mechanisms	148
Government Strategy and Programs	153
Toward a Broad-based, Effective, Sustainable Social Protection Policy	158
10. Priorities for Action, Challenges, Prospects, and Risks	161
Statistical Appendix	165
References	185
