| Acknowledgments.....             | vii |
| Acronyms and Abbreviations ..... | ix  |
| Executive Summary .....          | xi  |

## Volume I—Synthesis

|  |    |
|--|----|
| 1. Motivation .....  | 1  |
| 2. Morocco's Low Growth Rates in Historical Perspective.....   | 5  |
| 3. Stylized Facts About Morocco's Growth .....   | 11 |
| 4. The Binding Constraints to Growth in Morocco.....   | 15 |
| First Step: The Close Relationship Between Export Diversification,<br>Self Discovery, and Growth.....                    | 27 |
| Second Step (Part A): Identifying Government Failures That Limit<br>Productive Diversification and Competitiveness ..... | 30 |
| Second Step (Part B): Identifying Market Failures That Limit Productive<br>Diversification .....                         | 39 |
| How Governance Issues Might Indirectly Relate to Binding Constraints .....   | 46 |
| 5. How Do Morocco's Obstacles to the Business Environment<br>Affect Productive Diversification? .....                    | 49 |
| 6. Reducing Anti-Export Bias to Foster Diversification and Export Growth .....   | 57 |
| 7. Labor Rigidities and Employment Creation.....   | 65 |
| 8. The Need for a New Growth Strategy.....   | 73 |
| 9. The Vision of a New Pact for Growth and Employment:<br>Policy Proposals for Productive Diversification .....          | 79 |
| References .....   | 97 |

## TABLES

|  |    |
|--|----|
| 1. Growth Decomposition for the Whole Economy (in percent) .....                                 | 13 |
| 2. Morocco and Some Competitors: Selected Indicators on the<br>Corporate Income Tax Regime ..... | 32 |
| 3. Morocco's Performance in the Knowledge Economy Index.....                                     | 55 |
| 4. Structural Changes in Morocco's Textile and Clothing Exports,<br>1995–2004.....               | 63 |
| 5. Growth Strategies Followed in East Asia and Chile:<br>Were They That Different? .....         | 76 |

|   |    |
|---|----|
| 6. Toward A New Pact for Growth and Employment in Morocco.<br>Matrix of Priority Policies and Actions ..... | 93 |
|---|----|

## FIGURES

|  |    |
|--|----|
| 1. Volatility of Real GDP Growth (in percent) .....  | 6  |
| 2. No Convergence Across the Strait of Gibraltar or with Turkey .....  | 6  |
| 3. China Caught Up with Morocco Income Per Capita in PPP 2000 Dollars .....                                    | 7  |
| 4. Comparator: The World (Maddison Data) .....   | 7  |
| 5. Growth of Components of Real Demand .....   | 11 |
| 6. National Savings and Investment Rates (in percent of GDP) .....   | 12 |
| 7. Growth Diagnostic: Decision Tree on the Main Constraints to Growth .....                                    | 18 |
| 8. Credit Availability is Relatively High .....  | 20 |
| 9. Sectoral Shares in Total FDI .....  | 21 |
| 10. Morocco's Country Risk (Basis Points) .....  | 21 |
| 11. Secondary School Enrollment and Per Capita Income (2001–WDI, 2005) .....                                   | 22 |
| 12. Governance and Per Capita Incomes in MENA .....  | 25 |
| 13. Constant Market Share, Morocco and Others 1998–2003 .....  | 27 |
| 14. Percentage Share of Engineering and other High Value-added<br>Manufactured Products in Total Exports ..... | 28 |
| 15. Sophistication of Exports and Income Per Capita .....  | 29 |
| 16. Comparing Discoveries between Morocco and its Main Competitors .....                                       | 30 |
| 17. Morocco's Marginal Tax Rates on Individuals: An International Perspective .....                            | 34 |
| 18. Labor Market, Real Exchange Rate, and the External and Internal Balances .....                             | 36 |
| 19. OTRI and GDP per capita in PPP2000 US\$—Tariffs and NTBs .....   | 38 |
| 20. Nominal and Effective Rates of Protection (percent) .....  | 39 |
| 21. Progress of Call Centers in Morocco .....  | 41 |
| 22. Francophone Call Centers in a Few Countries .....  | 41 |
| 23. Sectors, Regions, and Types of Enterprises:<br>Highly Diverse Perceptions of Constraints .....             | 51 |
| 24. What Firms Are Really Out of the Credit Market .....   | 52 |
| 25. Constraints of Access to Land—International Comparisons from ICAs .....                                    | 53 |
| 26. Access to Real Estate, Type of Enterprise, and Region .....  | 54 |
| 27. Moroccan Exports Lag Behind Those of its Main Comparator Countries .....                                   | 58 |
| 28. Morocco's Exports versus Spain and France's Imports, Growth Rate, %,<br>1962–2004 .....                    | 58 |
| 29. Real Effective Exchange Rate in Chile and Morocco .....  | 59 |
| 30. Unweighted Average Tariffs in Morocco and Chile .....  | 60 |
| 31. Morocco's Multiple, Overlapping Trade Agreements .....   | 61 |

|   |    |
|---|----|
| 32. Impact of the MFA Removal on Moroccan Exports to the EU and US Markets .....      | 64 |
| 33. Urbanization Rate (%) and Rural Population (in millions).....                     | 67 |
| 34. Growth in Rural Population and Income Per Capita (in logs) .....                  | 67 |
| 35. Value-added per Worker and Average Wages in Manufacturing (ICA 2004) .....        | 69 |
| 36. Real Wage Rates for Selected Sectors (in thousands MAD per year).....             | 70 |
| 37. MW: Effective and Adjusted to Productivity Gains (Index Base Year: 1984=100)..... | 71 |

## BOXES

|   |    |
|---|----|
| 1. The Need for an Update of the National Accounts System .....   | 9  |
| 2. The <i>Emergence</i> Program .....   | 74 |
| 3. Binding Constraints to Growth .....  | 80 |
| 4. How Do Diagnostics on Identified Constraints to Growth Compare to Those Found by the <i>Emergence</i> Program..... | 81 |
| 5. Applying Rodrik's Ten Principles to a Productive Diversification Policy in Morocco .....                           | 89 |
| 6. Recent Employment Measures of the Government .....   | 92 |

## Contents—Volume II: Background Studies (on CD)

### I. STYLIZED FACTS AND GROWTH ACCOUNTING APPLIED TO MOROCCO

### II. SEARCHING FOR THE BINDING CONSTRAINTS TO GROWTH IN MOROCCO

### III. IMPROVING THE INVESTMENT CLIMATE IN MOROCCO

### IV. IMPROVING EXPORT PERFORMANCE IN MOROCCO

### V. ADDRESSING THE CHALLENGE OF EMPLOYMENT CREATION IN MOROCCO
