Child Labor and Access to Credit: Evidence from Rural Tanzania and Vietnam	48
Morocco's Gender Gap in Schooling: A Qualitative Analysis of the Institutional, Sociocultural, and Economic Factors Underlying Regional Differences	49
Teachers, Incentives, and Student Performance	50
What Drives Mass Education? Economy, Policies, Institutions	51
Effects of Unemployment Insurance	51
Migration, Poverty, and Income Strategies in Albania	52
Openness, Income Risk, and Welfare	53
Changing Gender Bias in a Fast-Developing Country: A Case Study of Malaysia, 1984–97	53
Growth, Redistribution, and Human Development: A Decomposition Method with Applications to Schooling in Morocco and Vietnam	54
Education Reform and the Gender Gap in Schooling in Rural Pakistan	55
International Migration and Development	55

## **Environment 57**

Determinants of Urban Air Pollution	57
Toward Greenhouse Gas Emission Reduction Commitments by Developing Countries? Costs and Benefits of Various Options under Uncertainty	57
Foreign Direct Investment and Pollution Havens	58
Methods for Allocating Water among Competing Uses under Stochastic Supply Conditions	59
Baseline Studies in Climate Change	59
Biomass and Coal Utilization Study	60
Economic Instruments for Habitat Conservation	60
Environmental and Natural Resource Management	62
The Functional Value of Biodiversity and Its Correlates	62

Markets for Environmental Resources	63
Institutional and Spatial Aspects of Sustainable Development	64
Capital Markets and Environmental Performance: Evidence from the Republic of Korea	65
Environmental Performance Rating and Disclosure in Ghana	66
Strengthening Public Pressure for Water Resource Protection in Indonesia	66
Understanding and Improving the Environmental Performance of Township-Village Industrial Enterprises in China	67
Climate Change and Rural Poverty	68
Public Disclosure of Industrial Pollution in China	68
Climate Change Mitigation and Sustainable Development: Risks, Benefits, and Institutional Implications	69
Environmental Indicators	69

## **Infrastructure and Urban Development 71**

The Distributional Impact of Reforming Electricity Prices in Serbia and Montenegro	71
Reforming Infrastructure: Privatization, Regulation, and Competition	71
Understanding and Measuring Motorization Externalities	72
Industrial Organization Policy for Development	72
Information, Knowledge, and Capacity Building for Effective Urban Strategies: Information-Based Instruments for Urban Management	74
Measuring Quantity-Quality Tradeoffs in Regulated Industries	75
Urban Transport and the Welfare of the Poor	76
The Impact of Rural Roads on Poverty: The Case of Bangladesh	77
Infrastructure and Regional Growth in Indian Manufacturing	77
Emergence from Subsistence: Infrastructure, Location, and Development in Nepal	77
Impact Evaluation of a Rural Road Rehabilitation Project in Vietnam	78
Information Technology and Development	79

## **Agriculture and Rural Development 80**

Private Sector Participation in Water Resource Management in the Middle East and North Africa	80
Sending Farmers Back to School: An Econometric Evaluation of the Farmer Field School Extension Approach	80
Macro-Micro Linkages of Irrigated Water Management	82
Land Institutions and Land Policy	82
Land Market Reforms and Their Effects on the Poor	84
The Benefits and Costs of Organic Agriculture: Evidence from Cuba	84
The Economics of Pesticide Contamination in Bangladesh	85
Land Reform in Zimbabwe	86
Land Rental Markets in Eastern Europe	86
Land Law and Land Conflict in Uganda	87

Nonmarket and Market-Based Land Allocation in Vietnam	87
The Impact of Agricultural Extension	88
Land Tenure	89
Rural Growth and Productivity	90
Weather-Based Index Insurance	91
<b>Macroeconomics and Growth</b>	<b>92</b>
Tax Policy for Poverty Reduction	92
Capital Subsidies and the Quality of Growth	92
Macroeconomic Volatility and Real Exchange Rate Misalignment	93
<b>International Economics</b>	<b>95</b>
Africa Trade Standards	95
How Do U.S. Multinationals Respond to Strengthened Intellectual Property Rights Abroad?	96
Trade Facilitation and Asia-Pacific Economic Cooperation	97
Trade, Standards, and Regulatory Reforms	98
Antidumping and Safeguard Actions by Developing Countries	100
Environmental and Labor Market Regulation and Foreign Direct Investment	101
