Abbreviations and Acronyms	xiii
Executive Summary	xvii
Part I: Economic and Financial Management Context	1
1. Macroeconomic and Fiscal Context	3
Structure of Haiti's Economy and of Public Finance	5
Fiscal Policy and Economic Outcomes, 2004–06	17
Policy Recommendations	24
2. Public Expenditure Review: Broad Trends and Patterns	27
Analysis of Public Expenditure by Functional Classification	29
Analysis of Actual Expenditures	32
Factors Determining the Structure of Public Expenditure	37
Analysis of the Public Investment Program	39
Budget Execution	43
Policy Recommendations	45
3. Country Financial Accountability Assessment	49
Background	50
Legal and Institutional framework	53
Budget Preparation	54
Budget Execution	55
Accounting and Financial Reporting	55
Debt and Cash Flow Management	55
Information Systems	56
Internal Controls	56
External Controls and Legislative Scrutiny	56
Institutional Framework and Procurement Management Capacity	57
Procurement Operations and Market Practices	57
Integrity of the Public Procurement System	58
Policy Recommendations	59

Part II: Public Expenditure Review in Priority Sectors	63
4. Economic Sector Expenditure Review	65
Agricultural Sector	67
Infrastructure Sector	80
5. Social Sector Expenditure Review	95
Education Sector	96
Health Sector	114
6. Justice and Security Expenditure Review	129
Background and Sector Strategy and Objectives	130
Trends and Structure of Justice and Security Sector Expenditures	132
Public Investment Programs in the Justice and Security Sector	140
Weaknesses, Challenges and Recommendations	141
Part III: Addressing Growth and Poverty Challenges:	
A Macro-Modeling Approach	147
7. Assessing the Impact of Fiscal Policy on Growth and Poverty:	
A Macroeconomic Framework	149
Description of the Key Features of the Haiti Macro-Model	150
Calibration	156
8. Addressing Growth and Poverty Challenges: Fiscal Reforms	
and Aid Requirements	161
Baseline Scenario, 2007–15	162
Policy Experiments	163
Appendixes	173
A. Macroeconomic and Fiscal Context	175
B. Public Expenditure Trends	183
C. PEFA Indicators	197
D. Economic Sector Expenditures	209
E. Social Sector Expenditures	225
F. Justice and Security Expenditures	243
G. Summary List of Equations	251
H. Scenarios	253
References	279

LIST OF TABLES

1. Composition of GDP at Factor Cost, 2000–06	5
2. Income Per Capita, Nominal GDP, and Growth Rates, 2000–06	5
3. Composition of Government Revenue, FY2000–06	7

4. Shares of Recurrent Spending Categories in Total, FY2000–06	9
5. Composition of Government Expenditure, FY 2000–06	11
6. Overall Fiscal Balance FY2000–06.....	12
7. Structure of Pledges and Main Donors Areas of Intervention, 2004–07	15
8. Donor Development Financing: Commitments 2004–07 versus Disbursements as of September 2007	16
9. Government Revenue (excluding Grants): Haiti and Selected Comparable Sub-Saharan Africa Countries, 2002–06.....	19
10. External Debt Service, 2006/06–2014/15	21
11. Debt Service Before and After HIPC and MDRI Relief, 2007–15.....	22
12. General Trends in Budget Allocations, FY2002–07	30
13. Broad Trends in Budget Allocations to Priority Sectors, FY2002–07.....	31
14. Broad Trends in Budget Allocations to Priority Subsectors, FY2002–07.....	32
15. Geographical Distribution of Government Budget by Department, FY2006/07	33
16. Total Spending by Broad Categories, FY2002–06	33
17. Functional Distribution of Actual Total Expenditures, Payment Basis	34
18. Functional Distribution of Actual Public Recurrent Expenditures, Payment Basis.....	34
19. Shares of <i>Comptes Courants</i> in Total Spending for Selected Priority Sectors, FY2002–05.....	36
20. Comparison of Spending on Priority Sectors	37
21. Public Investment Program, FY2004–05, FY2005–06, and FY2006–07.....	41
21. Public Investment Program, FY2004–05, FY2005–06, and FY2006–07.....	42
22. Execution Rates in Percent, FY2002–06	43
23. Budgetary Allocations	69
24. Budgetary Allocations Structure, FY2001–06	70
25. Structure of MARNDR's Operating Budget Allocations, FY2005–07	71
26. Trends in MARNDR's Expenditures, FY2001–06	72
27. Detailed Expenses by Budget Line, FY 2005–06.....	73
28. Detailed Expenses by Budget Line, FY 2002–03.....	73
29. Shares in Budget Execution	74
30. Investment Budget (PIP), Yearly Allocations	74
31. Comparison of Budgets Requested and Allocated.....	75
32. Generated Funds in Ministry of Agriculture	76
33. Main Current Account in Ministry of Agriculture	77
34. Network Infrastructure in Haiti 1990–2004.....	80
35. Allocations to the Ministry of Public Works, Transports and Communication (MTPTC), FY2001–07.....	83

36. Infrastructure Sector: Share of Selected Items in Recurrent Budget and Their Execution Rate, FY2002/06	87
37. Infrastructure Sector: Budget Execution, FY2001–06	87
38. Infrastructure Sector: Recurrent Budget Execution, FY2001–06	88
39. Resources for PIP in the Infrastructure Sector: Comparison to Other Priority Sectors, FY2004/05 and FY2005/06	89
40. Donors' Financing under ICF, 2004–06 Pledges and June 2004–December 2005 Realizations	90
41. Allocations to Education Sector FY2002/07	102
42. Composition of Spending, FY2002–07	103
43. MENFP Budget Execution, FY2002–06	103
44. Resources for PIP in the Education Sector: Comparison to Other Priority Sectors, FY2004–07	104
45. Status of Disbursement versus Commitments, as of December 31, 2005 for All Types of Interventions	105
46. Donors' Commitments and Disbursements under ICF and Other Interventions	107
47. Commitments (2004–07) and Disbursements (as of December 2005) by Donor, Framework and Areas of Intervention and Axis	108
48. Donors' Commitments to Financing School Year 2004/05	110
49. Health Indicators: Comparison Haiti and Regional Averages	115
50. Allocations to Health Sector, FY2002–07	120
51. Financing of Public Investment Plan, FY2004/05 to FY2006/07	121
52. Health Sector: Budget Execution, FY2002/07	122
53. Health Sector: Recurrent Budget Execution, FY2002/07	122
54. Health Sector: Share of Selected Items in Recurrent Budget and Execution Rate, FY2002/06	123
55. Resources for PIP in the Health Sector: Comparison to Other Priority Sectors, FY2004/05–FY2006/07	124
56. Donors' Financing under ICF, June 2004–December 2005	125
57. Allocations to Justice and Security Sector, FY2002–07	133
58. Recurrent Budget Allocations to Justice/Security Sector, FY2002–07	133
59. Evolution of the Intrasectoral Allocation of Recurrent Expenditures, FY2005–07	134
60. Evolution of the Composition of Expenditure, FY2001/06	136
61. Justice and Public Security: Credits and Expenditures for Selected Goods and Services, FY2002–07	137
62. Justice and Public Security: Projected Salary Expenditures	138
63. Projected Justice/Security Salaries Expenditure and Total Government Salaries, FY2007–09	139

64. Intra-allocation of Credits and Expenditures, and Execution, FY2003/04 to FY2005/06	140
65. Resources for PIP in Justice and Security Sector. Average over FY2004/05 to FY2006/07	141
A.1. VAT in Selected Countries	175
A.2. Average Annual GDP growth between 1995 and 2004, Haiti Compared to Selected Sub-Saharan Africa Countries	176
A.3. ODA Received by Haiti by Donors in 1990–2005	177
A.4. Composition of Government Revenue in Percent of GDP, 2000–2006.	178
A.5. Shares of Recurrent Spending Categories in Total Recurrent, FY2000–06	178
A.6. Composition of Government Expenditure, in Percent of GDP, FY 2000–06	179
A.7. Overall Fiscal Balance, FY2000–2006	179
B.1. Budget Allocation Trends.	184
B.2. Budget Allocation Trends.	186
B.3. Total Spending by Broad Categories, FY2002–06	188
B.4. Functional Distribution of Actual Total Expenditures—Payment Basis	189
B.5. Functional Distribution of Actual Public Recurrent Expenditures—Payment Basis	191
B.6. Execution Rates in Percent, FY2002–06	193
B.7. Public Investment Program FY2004–05, FY2005–06, and FY2006–07	194
C.1. PEFA Indicators	198
D.1. Budgetary Allocations	210
D.2. Budgetary Allocations Structure, FY 2001/06	211
D.3. Structure of MARNDR’s Operating Budget (allocations), FY2005–2006	212
D.4. Trends in MARNDR’s Expenditures, FY2001–2006	213
D.5. Detailed Expenses by Budget Line (Fiscal year 2005–2006)	214
D.6. Detailed Expenses by Budget Line (Fiscal year 2002–2003)	215
D.7. Shares in Budget Execution	216
D.8. Investment Budget (PIP), Yearly Allocations	216
D.9. Investment Budget, Treasury Funds	217
D.10. Comparison of Budgets Requested and Allocated.	217
D.11. Generated Funds in Ministry of Agriculture	218
D.12. Allocations to the Ministry of Public Works, Transports and Communication (MTPTC), FY2001/06	219
D.13. Infrastructure Sector: Budget Execution, FY2001/06	221
D.14. Infrastructure Sector. Recurrent Budget Execution, FY2001/06	222
D.15. Resources for PIP in the Infrastructure Sector. Comparison to other Priority Sectors, FY2004/05–FY2006/07	223
